BRIDGING THE GAP FAQ'S

What is Bridging the Gap?

Bridging the Gap (BTG), is a district wide program which seeks to connect those leaving residential inpatient treatment centers, with AA groups in their area when they are discharged. Patients request this service via our Pinellas County Bridging the Gap telephone number.

Why do we “Bridge the Gap”?

Statistics show that those who leave treatment and go directly to an AA meeting, have a far better chance of stay sober during those first few critical days and weeks after leaving treatment.

What do Bridging the Gap Volunteers do?

Simply put, Bridging the Gap volunteers help get these newcomers (and sometimes not-so-newcomers) who are leaving treatment, to a meeting in their area as soon as possible after leaving treatment - preferably that same day.

Do I have to be their sponsor? What kind of commitment is required?

No! We may act as temporary sponsors to those that we bridge, and we can become their sponsors, but our primary duty is to get these folks to a meeting in their area and get them connected, encouraging them to get phone numbers and find a home group to attend regularly.

How can I help?

If you would like the opportunity to be a part of this fantastic program, simply put your name, telephone number, email address (if you prefer to be contacted that way), and the zip code where you live and/or most commonly attend meetings, and we'll call you on a rotating basis whenever a request is made for a bridge in your area. For more information, call or email BTG at 727-755-8284, or btgpinellas@gmail.com
